good any loss to Government in case of failure to execute the terms of the contract without recourse to any court of law.

5. The tender must contain the number of lorries that can be supplied in a batch of not less than three lorries, which should be in a perfect condition and the lorries should have the capacity to carry not less than four tons at a time.

6. The tenderer should be prepared to run the lorries as per instructions of the Food Assistant to the Deputy Commissioner, Chikmagalur District, Chikmagalur, or any other Officer authorised by the Deputy Commissioner, Chikmagalur District, in this behalf.

7. The tenderer should keep at least two or three lorries in reserve with a view to substitute for any lorry that may go out of order for any other contingency.

8. All lorries should carry Government loads, if given in their return journey.

9. The rate per running mile per palla of grain should be furnished both in words and figures. Separate rates should be furnished in respect of paddy, rice and other grains as also empty gunnies. As regards empty gunnies, the rate should be per bale, ten gunny bales of 400 gunnies each being equivalent to a lorry load.

10. No definite monthly quantity or load can be guaranteed and the present contract will be in force for a period of at least one year from 1st May 1951 and also till fresh tenders are called for and accepted in this behalf.

11. The lorry staff (Driver, Cleaner and loaders, if any) should be responsible for good behaviour.

12. In all matters of disputes of any kind not specially provided for in the agreement, the decision of the Deputy Commissioner will be final and legally binding.

13. The contract should not be sublet.

14. No claims for damage for any delay caused by the Officers of the Department in the execution of work will be entertained.

15. The various places in Chikmagalur District from which food grains have to be transported and mileages from and to places may be verified in the Office of the Deputy Commissioner, Chikmagalur District, during the office hours on any working day.

16. Loading and unloading charges should be met by the contractor himself and cannot be claimed separately. If any delay were to be caused for want of coolies the loading and unloading will be got done at the cost of the contractor.

110b

Dated 31st March 1951.

To

The Firms dealing in Australian Tallow.

Enquiry No. 10412.

Australian Tallow.

Gentlemen,

No. S.P.C. 57629-649. Sealed tenders will be received by the undersigned up to 30th April 1951, for the supply of 335 tons of Australian Tallow.

Tenders submitted in response to this notice will be subject to the following conditions.

1. The rate should be per ton or cwt. nett. Inclusive of the cost of containers and Sales-Tax for delivery f.o.r., Bangalore. The successful tenderers should book the consignments to the address of the General Manager, Government Soap Factory and hand over the R/R to him well in advance to enable him to take delivery of the consignments. The railway receipts should be sent directly to the General Manager, Government Soap Factory, Bangalore and not through any Bank or in any other way. In the case of local contractors the rate offered should be for delivery free in the Government Soap Factory, in which case the rate should include octroi. Payment will be made for the actual quantity of the material received at the factory, is weighed, tested for quality and found satisfactory.

2. The tallow required should be sweet smelling without containing any burnt colour about it and should be free from adulteration and should be quite suitable for soap-making.

3. The rate quoted should be firm and hold good for a period of one month from the date fixed for receiving the tender. Withdrawal from tender before the above period or after acceptance of the tender is communicated due to whatever causes, will entail forfeiture of earnest money deposit in connection with the tender.

4. For due fulfilment of the contract, the successful tenderers will be required to execute a stamped agreement within a week from the date of receipt of intimation that their tenders have been accepted and to deposit Rs. 500 (Five hundred) towards Security Deposit, failing which the earnest money referred to in the following paragraph will be forfeited to Government and order cancelled immediately.

5. Tenderers should remit a sum of Rs. 100 as earnest money to the District Treasury, Bangalore, with

necessary chellan form duly filled in and the fact duly noted in the tender. Any tender not complying with this condition will not be considered. Earnest money will be returned to parties after the tenders are disposed of in the case of unsuccessful tenderers, but in respect of successful tenderers only after the requisite security deposit is furnished.

6. Triplicate samples of Tallow offered and Test Certificates should accompany your tendor.

7. Supplies made otherwise than in accordance with the quality will be rejected at the contractors risk and he will be required to replace the rejected supplies by correct materials.

8. Failure to make supplies in time according to required quality will entail cancellation of the contract, the security deposit being forfeited to Government and purchase being made from other sources at the risk and expense of the contractors. Extra cost, if any, incurred on account of such purchases will be debited to the defaulting contractors. In such an event, the committee will also reserve themselves the right to levy a penalty of 3 per cent of the value of the order as and by way of liquidated damages.

9. No revised quotations will be accepted, after opening of the quotations.

10. Tenders should be superscribed "Tender for the supply of Australian Tallow" with the above enquiry number.

11. The tenders will be opened at 1 P.M. on the next working day after the closing date.

12. Income-Tax Clearance Certificates should be furnished along with the quotations without which the quotation will not be considered.

SCHEDULE.

1. New Zealand and Australian Tallow, Mutton or Mixed pale, sweet smelling, titre should be less than 42°. — 335 tons

NOTE.—The supply has to be made in one or two lots during May 1951.
